City. But instead of having a separate establishment working under the Sub Divisional Officer, it would be desirable to secure uniformity and to have the whole establishment working under the Rationing Census Officer. If necessary, an Assistant Ration Census Officer for this area be appointed in lieu of Ex-Officio Chief Ration Census Officer and 3 Sheristedars.

17) A bit of village in the belt area is enclosed. The area is extensive, and the City Ration Census Officer should deal with this area, in addition to his vast jurisdiction viz. the City. Moreover he has a very short time ahead of him as the Census date is fixed for 15-9-46, and he has reported himself only one or two days ago. Hence, also, he is new to the work.

18) This matter was discussed with the DFS and the DC Bangalore today. The former offers to lend the Chief Ration Census Officer for B'lore City from this work also, the work would suffer in both areas. The DC states that the Establishment asked for is by itself very much on the low side, and he is therefore supplementing the duties of Other Revenue Inspectors + clerks for this work in addition, and it was therefore better to leave the SDO in charge. I agree with them.

23) As it is proposed to grant the usual rate of Learners allowance to the staff (Vide para 12), the total expenditure involved will be Rs. 5811/- (Rs. 4875 + 936 learners allce for 4 months) [*Para 7.] Under item XXIII of Appendix 'C' of the Mysore Government Business Rules, unusual items of expenditure exceeding Rs. 5000/- is a scheduled case. Whether this has to be treated as a Scheduled case is for consideration.

24) As regards the lumpsum provision of Rs. 1000/- for contingency Stationery etc (Vide para 13) a specific proposal from the D.F.S. will be awaited, if approved.

25) Orders re: the appointment of the Subdivision Officers, Bangalore Subdn as the Ex-officio Chief Ration Controlling Officers for the Bangalore city belt area have already issued (Vide notification No. Ld. 1758/R145-US-17 dt 15.8.46 - Flag M)

Re: appointment of ration census staff [illegible] Calcutta & Bihar

Total cost of Rs 5811 referred to above will be reduced by Rs 1807/- As the cost on account of the Spl Sheristadars and the Rly Inspectors has been calculated on the assumption that they will draw the maximum pay of the posts viz Rs 807/- and Rs 507/- the actual cost may be less than Rs 5,007/- and the case will not therefore come under the schedule.

The proposal may therefore be approved for issue.

Copy of letter No.C.D.Pr.34/46-47 dated 31st July 46 from the Sub Division Officer, Bangalore Sub Division, to the Deputy Commissioner, Bangalore District.

In connection with the supply of rations to Belt Area of this Sub Division, I have the honour to state that with a view to ensure the correct enumeration of the residents of this area, it is very necessary to take a census of the population residing therein simultaneously with the City just, as in the case of the general population census. From the figures available so far, regarding the number of Ration cards issued and the population inclusive of both landless and partial producers, the following details are noted below:-

	Bangalore North.	Bangalore South.
No. of villages.	42	32
No. of A Class Card Holders.	9,151	2886
No. of B Class Card Holders.	804	751
Population "A " Class.	48,780	14891
" "B " Class.	5,337	4782
Surplus population(Land-holders)	5,411	1967
Total population.	59,528	21640
No. of enumerators.	220	80
No. of Supervisors.	55	20
No. of Special Sheristedars.	2	1
No. of Revenue Inspectors.	3	2
No. of Clerks for the Office.	3	2

The establishment noted above is necessary for a period of 4 months. The Special Sheristedar and the Revenue Inspectors may be paid basic rate of pay for those grades and the Clerks paid Rs.30/- p.m. The enumerators and the Supervisors may be paid Rs.5/- each for their work.

For the above Census work, preliminary enumeration has to be arranged and final census taken simultaneously in all the places. The above population figures are based on a rough basis calculated on the Ration Cards recently issued.
